RESTAURANT

Showcasing the seasonal, ingredient-driven American farmhouse cooking of executive chef Stephen Barber. Featuring an authentic farm-to-table menu highlighting Long Meadow Ranch's all-natural grass-fed beef and organic and sustainably produced eggs, fruits, vegetables, extra virgin olive oil, and honey. Our interest is to source entirely from local purveyors at their peak freshness.

Long Meadow Ranch Winery & Farmstead is a great place to host guests for the quintessential farm to table experience. In the spirit of tradition to sit together and share a meal we serve family style. Chef is creative and true to our core mission of "Excellence through Responsible Farming".
